INFORMATION BULLETIN NO. 22-03

DATE: November 21, 2022

TO: All Service Providers

FROM: Jaime H. Pacheco-Orozco, General Manager
Department of Aging

Jaime H. Pacheco-Orozco

SUBJECT: ALERT NOTICE & ANTIBODY TESTING FOR COVID-19

EFFECTIVE DATE: November 21, 2022.

PURPOSE

The purpose of this bulletin is to share information directly affecting the Aging network.

ALERT NOTICE

The City of Los Angeles Department of Aging (LADOA) has become aware that senior centers operating in the Los Angeles County area have received solicitations from Regain Life, Inc., recommending antibody testing at senior centers at a cost. Neither the Los Angeles County Department of Public Health nor the Los Angeles County Department of Health Services endorse, approve, or recommend **antibody testing** for COVID-19.

If your agency has been contacted by Regain Life, Inc., or any other company that promotes or recommends antibody testing, please report back to LADOA.
