The City of Los Angeles Department of Aging (LADOA) distributes fans to the City’s older adult community to address the recent extreme weather events.

**How It Works:**

The Emergency Fan Program (EFP) is administered by the City of Los Angeles Department of Aging in partnership with the Los Angeles Department of Water and Power (DWP). The EFP enables low-income older adults cope with the summer heat and helps avoid or mitigate heat disorders through the provision of oscillating fans. The fans are provided through the City’s 15 Multipurpose Senior Centers, three Mini-Multipurpose Senior Centers, and a handful of other community partners, which distribute them to the senior participants during the summer.

The program provides one free fan to eligible elderly residents 60 years of age or older who live in the City of Los Angeles and meet other eligibility requirements, subject to availability.

**Eligibility Criteria:**

- Applicants must be 60 years of age or older.
- Service Areas: City of Los Angeles
- Be low income
- Have an urgent need for cooling assistance – no existing central air, fan or wall unit.

**How to Apply:**

- Online: Visit [https://aging.lacity.org](https://aging.lacity.org)
- Mail: 221 N. Figueroa Street, Suite 500, Los Angeles, CA 90012
- In Person: 221 N. Figueroa Street, Suite 500, Los Angeles, CA 90012 or visit your local Multipurpose Senior Center
- By Phone: (213) 482-7252

Applicants will need to schedule an appointment to pick up their cooling fan by calling (213) 482-7252 or email age.webinfo@lacity.org
